Message from the Head...

Dear Parents / Carers,

Welcome back to the summer term! It was an interesting start to the week, with the rain and hail that soaked us all on Monday morning. Between the showers, we have enjoyed some brighter weather outdoors and it has been great to see the children involved in their tennis lessons with Mr Yeomans throughout the week.

On Wednesday afternoon we were represented wonderfully by Freya, Lauren, Alfie and Benjamin, who took part in the Year 5 Maths Challenge at Holywell Primary School. The children worked really positively together and were great ambassadors for our school.

We have also been pleased to re-start our offer of extracurricular clubs this week. There have been new clubs for running, craft and Dobble, with Warhammer Club due to start next week! We will be continuing our netball, football and hockey clubs through to the end of the summer term. Additionally, Year 5 children have started six weeks of swimming lessons and Year 6 will have their lessons next half term.

As ever, we have a busy week coming up. I am sure many of you will remember the children talking about last year's visit from [SkipBeatz](#) and the Skipping Ninja! Pete Thompson is back with us next Thursday, when all the children will enjoy a performance in the school hall and class workshops with Pete on the playground. This should be a great day. As ever, we are grateful to the fundraising efforts of our PTA, who are funding this whole-school activity for us.

We received many Parent Governor Applications, so thank you. I will hopefully be able to make an announcement next week.

Looking ahead, there are two further PTA events on the final day of this half term, Friday 24th May. The PTA are funding our visit from the Royal Institute for our Science Day, which will include a Community Show at 3.30pm. Then later on the same evening, the PTA are hosting a Colour Run on the school field, which will include a small number of stalls, a BBQ and a bar. It should be a great way for our community to end the half term, so please look out for more information on this event in the coming weeks.

With best wishes,
Mr Martin.

Diary Dates...

Fri, 26th April - Yr3/4 Bikeability for those who signed up.
